

TreadMark™

GMS
MEDIA™

PRODUCT INFORMATION

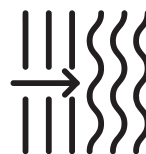

TreadMark™ offers permanent and removable solutions that meet the appropriate safety standards for advertising and direct messaging on a variety of floor surfaces. TreadMark™ printable films, paired with our smooth or textured grip laminates, offer significant savings for those short term and long term graphics.

- TreadMark is cleanly removable.
- Available in 15" and 54", 25yd and 50yd rolls
- Pair with TreadMark non-slip gloss laminate, or Stubbl heavily textured laminate.
- All TreadMark and Stubbl products meet appropriate safety standards.
